A representative example

The amount repayable of your loan is made up of your interest rate,

plus fees. For example, if borrowing \$10,000 repayable over 3 years at an interest rate of 29.95% you would be required to make 156 weekly instalments of \$103.72. This repayment is made up of interest, an establishment fee of \$400 and an administration fee of \$2.50 per instalment. Total interest would be \$5,390.32 with total fees of \$790 making the total payable over the full term \$16,180.32.
